

## **“GOD IS WISE” DEVOTIONAL & PRAYER**

This week our prayer focuses on God Who is “*Wise*”. He is the One Who has discernment, understanding and knowledge of all things.

It comes from our Prayer Verse: Proverbs 4:11 "I will guide you in the way of *wisdom* and I will lead you along straight paths."

Our encouragement from this verse comes from knowing God is True *Wisdom* and is willing to guide us in *His wisdom*. The One Who created all the universe and made every detail in it, from the galaxies to the smallest form of matter, is the only *Wise One* we should humbly seek each day. His *wisdom* is supernatural and beyond human comprehension. As humans, we are confined by what little we know from our short existence while here on earth, but His wisdom is from eternity and never had a beginning or end. As we walk in situations and look at the world, we may question whether He is *wise*, but that question in itself shows how small we are and how big He is for He was the One Who created human knowledge. But His *wisdom* looks across *all eternity*, throughout *all generations*, and is *wisely* working His plan out for each one of us for *our greater good and for His glory*. Sometimes we can sit for long periods of time and try to reason with our small amount of *wisdom* on why people make certain choices or are in certain circumstances that are difficult. But even then we can never fully understand them because we weren't created to. The beauty of God's *wisdom* is that His *wisdom*, understanding and discernment of all our situations transcends all human understanding for He created humanity from the beginning of time and will until the end of time. He understands what each generation is going through and knows each of our needs. He also understands that He is the true *Wisdom* we seek, whether we realize it or not, and He so lovingly and willingly provides His *wisdom* (Himself) to each one of us if we will turn to Him for it! Because He is God and the true *Wisdom* we seek, He doesn't stop pursuing us because He loves us and created us for such a time as this. He is the Creator and the Sustainer of our souls and there is nothing that He does not understand about us and our situations and how to lead and guide us through them with His Truth and *Wisdom* in a way that we will understand for whatever we may face. His isn't wringing His hands wondering how He is going to impart His *Wisdom* into our lives, He is already working on it in our hearts as we pray. Let us pray in faith that He is working in His *Wisdom* and we will soften our hearts and turn a listening ear to His voice! Let us pray:

"Dear Heavenly Father, we humbly bow before Your throne in our hearts and praise You for being "*Wise*". O Lord, may You guide me and...

*(names of those you are praying for)*

in the way of *Wisdom* and lead us along straight paths. Lord, we believe You desire to do this for us for it is in Your Word. May we recognize our need for You and humble our hearts before your mighty throne. May our hope be in You all day long. Thank-you for loving us with an everlasting love and may it all be for the glory of Your name. In Your loving Son's name, Jesus, we pray, Amen.”.
